† Anthem Text †

Thanks Be To God

There is a hand whose touch creates all beauty; the snowcapped height, the river’s quiet flow; and that same hand, which fashioned all the universe, calms troubled hearts and soothes the wounded soul. Thanks be to God whose mercy knows no measure, whose righteous way His wondrous works applaud, whose loving kindness bears our every weakness; for such a sure and steadfast love, thanks be to God.
There is a Shepherd for each valley’s shadow; unfathomed Grace joins every trial we meet. Ultimate One, whose presence we most long for, to You, in gratitude, we humbly sing: Thanks be to God whose mercy knows no measure, whose righteous way His wondrous works applaud, whose loving kindness bears our every weakness; for such a sure and steadfast love, thanks be to God. For such a sure and steadfast love, thanks be to God.

† Missions Moment †

God doesn't just call us to live in community, but in beloved community. That means we welcome everyone. The world is currently facing the largest refugee crisis in history. Since WWII there have never been this many refugees. Uganda has political refugees coming from over 9 different countries to seek asylum, with over 2,000 refugees a day entering the country. CBF supports us here in our ministry by allowing us to be beloved community to these refugees entering our country. Christ wants us to be welcoming and beloved community, because if people can't find the community inside the church, then I don't know where else they're going to go.

- Jade and Shelah Acker, CBF field personnel in Uganda
