† Anthem Text †

Hymn of Abundance

For the fruit of all creation, thanks be to God. For His gifts to every nation, thanks be to God. For the plowing, sowing, reaping, silent growth while we are sleeping, future needs in earth’s safe keeping, thanks be to God. In the just reward of labor, God’s will is done. In the help we give our neighbor, God’s will is done. In our world-wide task of caring for the hungry and despairing, in the harvests we are sharing, God’s will is done. For the harvests of the Spirit, thanks be to God. For the good we all inherit, thanks be to God. For the wonders that astound us, for the truths that still confound us, most of all that love has found us, thanks be to God.

† Missions Moment †

Five years ago, the Southeastern Medical International team came to work with us. We asked Pastor Han to take us to places the team could apply the love of Christ through their medical skills.

A baby girl in the remote village of Prey Chhka was on the verge of death. The doctor announced the little girl wouldn’t live much longer without intensive medical intervention.

We persuaded the mother to accompany us to a hospital that specializes in the treatment of children’s diseases. She made a complete recovery and is a healthy child today thanks to a God who hears prayers and sends His people to help in remote places with hope and healing.
