## † Anthem Text †

### The Day of Resurrection

The stone is rolled away this resurrection day; give glory to the King! Rejoice, O victory! God’s Son has set us free; give glory to the King! He conquered death and sin, and rose to live again; forever He will reign! And evermore shall be a song of victory, for Christ has come to reign! From darkness into light, God’s love has pierced the night; His glory now we sing. Let every heart and voice sing praise to God; rejoice! For Jesus Christ is King!

The day of resurrection! Earth, tell it out abroad; the Passover of gladness, the Passover of God. From death to life eternal, from earth unto the sky, our Christ has brought us over with hymns of victory.

Now let the heavens be joyful! Let earth her song begin! The world resound in triumph, and all that is therein. Let all things seen and unseen their notes of gladness blend; for Christ the Lord has risen, our joy that has no end. To Him our praises sing: hail to the King of kings! He came to set us free; rejoice, O victory! Alleluia!

To the choir and church members of First Baptist Church of Frankfort. I want to thank you for the prayers, the visits, and the food some prepared for me in the four months I was gone from the service of our church. I really missed the choir practice and singing. Thank you again.

## † Missions Moment †

As we joined together for one of our weekly women's Bible studies, I heard some amazing comments from the women:

"I am glad we have this time together; I need it and I miss it when I cannot come. It is becoming evident to me that I need time in community with other believers to help me be who God wants me to be."

"This time encourages me so much. I always know I will walk away with a good perspective to begin the week."

"My husband told me he can't wait to hear what we learn today. In fact, every week he asks what we are learning and we have great discussions together about it. We are learning so much!"

I am becoming aware of how much the women have grown in their personal faith and understanding of who God is through our Bible study. They are actively engaging the Biblical text, thinking critically about what they are reading. They are encouraging one another in their Christian journey, and they are sharing what they are learning with others.

Our ministry in Spain is small. It is slow. It is the walking alongside others as they discover more of who God is and God's great love for them. Thanks be to God!
