† Anthem Text †

Shine on Us

Lord, let Your light, light of Your face, shine on us. That we may be saved, that we may have life.
To find our way in the darkest night, let your light shine on us.
Lord, let your grace, grace from Your hand, fall on us. That we may be saved, that we may have life.
To find our way in the darkest night, let your grace fall on us.
Lord, let Your love, love with no end, come over us. That we may be saved, that we may have life,
to find our way in the darkest night. Let your love come over us. Let your grace fall on us.
Let your light shine on us. Shine on us O Lord.

† Missions Moment †

Throughout October, you will notice a display on loan from the Cooperative Baptist Fellowship in the front hallway. The photographs in this exhibit illustrate the work and reach of CBF Global Missions over a period of time. Some of the photos are older and some are newer. Together, they paint a portrait of the ways CBF seeks to build beloved community over time and around the world.

The photos were curated from a vast collection of images representing CBF Global Missions. Not every area served by CBF is seen here, but what is seen is representative of the kinds of work we do together through Global Missions.

The primary means of supporting this work is the Offering for Global Missions, which allows CBF field personnel to be physically present among the communities they serve, whether in the United States or around the globe.

As you view these photos, consider your own capacity to support the work of Christ through CBF and the Offering for Global Missions. Together, we create beloved community, even in places we cannot go ourselves – because together, we can do so much more than we can do alone.
