† Anthem Text †

A Jubilant Song

Sing to the Lord a jubilant son. Sing to the Lord a jubilant song. Rejoice and sing and let the earth be glad, let the heavens be filled with joy, and a jubilant song. Sing alleluia to the Lord, alleluia, alleluia. Sing alleluia to the Lord, alleluia, alleluia.

Tell of His salvation from day to day. Shout His marvelous works among the people, for great is the Lord, great is the Lord, and greatly to be praised.

Sing to the Lord a jubilant song. Sing to the Lord a jubilant song. Rejoice and sing and let the earth be glad, let the heavens be filled with joy, and a jubilant song.

Lord, you have been our refuge from one generation to another. Before the mountains were made, or the land and the sea were born, from age to age you are God, and we pray for the coming of your Kingdom. We shall rejoice, we shall be glad all the days of our lives.

Sing to the Lord a jubilant song. Sing to the Lord a jubilant song. Rejoice and sing and let the earth be glad, let the heavens be filled with joy, and a jubilant song.

Based on Psalms 90, 96

† Missions Moment †

This summer I served at Metanoia, and the role I played is not nearly as significant as the impact it left on me through the intentional community my colleagues consistently created.

The only thing on my mind when I first arrived to Metanoia was the next chapter in life. I just graduated from Chowan University and was excited to continue my studies at McAfee School of Theology. During orientation my site supervisors opened the floor for us to voice our thoughts as we began the summer. Being given that space allowed me to fully acknowledge I was living for the future and ignoring the gift of the present. With that, I was able to stop and be present where I was.

If I went through the summer only thinking of the next chapter, I would have missed out on so many things. The relationships I built with the office staff, the bonds I created with our scholars, and the friendships I established with my fellow interns. My site supervisors, Stacy and Jamilla, served as great mentors, teaching me how critical it is to be a significant leader in a community as a Black woman. I am forever grateful for the addition to my colorful community.
