

FIRST BAPTIST CHURCH

First Baptist Church of Frankfort is seeking an experienced senior pastor who feels the call to follow the example of Jesus as a servant leader. Minimum education is a Master of Divinity with a preference given to a person pursuing or possessing a doctoral degree. Using a strong knowledge of theology and the Bible to courageously address the challenges of Christian discipleship in today's world this person will join with our staff and lay leaders in spiritually mentoring our congregation and community; and will support our existing ministries and encourage growth of our footprint within our community, commonwealth, nation, and world.

FBC Frankfort is a moderately sized downtown church affiliated with the Cooperative Baptist Fellowship and CBF Kentucky. We believe all people are created in the image of God and should be treated accordingly. We serve the mission of Jesus Christ by holistically, creatively, and courageously ministering to the spiritual and physical needs of our neighbors. We affirm that God calls all genders and intergenerationally ministers, lay leaders and disciples. We worship reverently, deeply, and wholeheartedly in a liturgically traditional service while exploring the mysteries of our faith.
